23. [] LIAISON Called the office of Sam Hoskinson, NSC staff, to advise them that the briefing for the Senate Armed Services Committee staffers on SALT monitoring capabilities has been rescheduled for Tuesday, 1 November, at 10:00 a.m. 25X1
24. [] LIAISON Called Millie Groobey, State Department Congressional Relations staff, and informed her that the Agency briefing for Representative Ike Skelton (D., Mo.) on Panama had been cancelled. I said I would let her know when and if it was rescheduled. 25X1
25. [] LIAISON Marilyn Tat, in the office of Representative Norman Lent (R., N.Y.), called requesting brochures on the Agency for a recent high school graduate who is contemplating future employment with the Agency. I said I would send her the information.
26. [] LIAISON Called Mike Van Dusen, Staff Director, House International Relations Subcommittee on Europe and the Middle East, and told him that the language which we had suggested, with one slight modification, had been approved for use in his unclassified trip report on the Middle East. The subject was []
27. [] LIAISON Bill Hoffman, on the staff of Senator Mike Gravel (D., Alaska), called requesting information on ships built between 1940 - 1976, including the year built, dead weight tonnage and national flag, and an average dead weight tonnage for each year. I said I would see what information we might have and what form it is in.
28. [] LIAISON Called Sam Hoskinson, NSC staff, and informed him of Bill Ashworth's, Senate Foreign Relations Committee staff, request for a briefing on Soviet submarines. I told him we were going to discuss the matter with Ashworth and we would then determine whether there was enough significant new information to warrant a briefing of the full Committee.
